Dated, Chikmagalur, July 1902

From

B. G. Krishnaiyangar Esquire,
Deputy Commissioner,
Kadur District.

To

H. Ramaiya Esquire,
Asst. Secretary to Govt.,
In ch: of Local Bd. Branch.

Sir,

I have the honor to state that Plague has broken out in an indigenous form in the town of Chikmagalur. The first case occurred on the instant in the shop of a Labbe merchant and the infection to his having imported some goods from the infected town of Mangalore.

All possible endeavours are being made to check the spread of the disease.

I request that the town of Chikmagalur may be notified to be an infected area under the Epidemic Diseases Regulation.

I have the honor to be,
Sir,
Your most obedient servant

K. Subba Rao Esq.

No. 38

From

M. Narain Rao Esquire.
Deputy Commissioner,
Chitaldrug District.

To

H. Ramachar Esquire,
Assistant Secretary to
the Government of Mysore,
Local Boards Branch,
Bangalore.

Sir,

I have the honor to report for the information of Government that the Assistant Surgeon has intimated that the village of Bharmasagara in the Chitaldrug Taluk has been infected by Bubonic Plague. It is reported that in some of the houses dead rats were found. The villagers have evacuated almost the whole of the village, and camped out. The disease is reported to have been imported either from Bangalore or Shimoga. Needful precautions have been taken to arrest the progress of the disease, and those that remained in the village have been advised to camp out. I beg to recommend that the village may be declared to be an infected area.

I have the honor to be,
Sir
Your most obedient Servant.

Deputy Commissioners Office, Kadur District

Dated, Chikmagalur, 19th July 1902

From

B. G. Krishnaiyangar Esquire,
Deputy Commissioner,
Kadur District

To

H. Ramaiya Esquire,
Assistant Secretary to
Government in charge of
Local Boards Branch

Sir,

I have the honor to state that, in spite of efforts made to check it, Plague seems to have taken root in the town of Chikmagalur. As the South West Monsoon has regularly set in, people find it impracticable to evacuate at least the infected part which is right in the middle of the town. I am trying my best to induce them to do so by the offer of putting materials on easy terms.

The demand for a Plague Hospital and some sheds for contacts having been found very urgent, I have selected, in consultation with the Civil Surgeon, a convenient spot for putting up the same at Government cost, and have started the work in anticipation of Government sanction. I request, therefore, that you will be so good as to obtain the sanction of Government to place at my disposal a sum of Rs 500/- to meet

meet urgent demand in this direction. 6

The formal estimate of sheds, &c., will be submitted in due course.

I have the honor to be,

Sir,

your most obedient servant
